

Fellow Classmates,

The following classes are being offered at the Missionary Baptist Seminary in Little Rock, AR - as per the following schedule. The fall semester begins August 16. The semester would end by December 14 - based upon which class that was selected.

If we are going to take one of the classes as a group, we have 2 options:

1) We can audit one of the **online** classes and participate in real time on the stated day and time with the instructor and the other classmates. (Note: if you would be interested in receiving seminary credit for the class, there would be fees of around \$80.00 plus the cost of books, etc.)

2) We can audit one of the **online** classes and view the recorded class on a different evening.

Although we would be auditing a given class, we could still take the class tests.

Either of these options would require our church to obtain an internet connection with our phone service. The cost would be an additional \$75.00 per month.

I have spoken with the Dean at the Seminary. He is very interested in using our group as a pilot to see how they might be able to extend their online classes to other church groups.

I would ask that you look at the respective classes below and provide your thoughts as to whether or not you are interested in taking one of the classes - and which one. Additionally, when would you be available to attend the class as a group (which would be according to the 2 options above)?

Note: "The Life of Christ" class is a complete review of all four gospels side by side, covering the entire life of our Lord from birth to resurrection.

**Missionary Baptist Seminary and Institute
